FORESTER SPORT WITH EYESIGHT

The all-new 2019 Forester is built on the Subaru Global Platform to enhance the already outstanding on- and off-road capability, excellent cargo capacity and class-leading fuel economy the Forester has long been known for. The roomiest, most capable Forester to date is also offered with segment-leading safety, including the award-winning EyeSight® driver assist system, as well as Subaru's new DriverFocus Distraction Mitigation System aimed at addressing the growing issue of distracted driving and driver fatigue.

- Forester now offers an available two-mode X-Mode for increased capability in a variety of conditions.
- Two new colours, Jasper Green Metallic and Horizon Blue Pearl, have been added to the lineup.
- All-new Sport trim features head-turning looks and improved performance, while new Premier trim offers outstanding levels of refinement.
